- Approximate location of LCRA TSC 138-kV transmission line in Gillespie County

0 2.5 5 7.5 10 miles

Map scale if printed at 100%
1 inch = 5.5 miles

DISCLAIMER: The AEP 138-kV line location depicted on this map is approximate and is intended for planning purposes only. The Lower Colorado River Authority is a conservation and reclamation district created by the Texas Legislature in 1934 to improve the quality of life in the Central Texas area. It receives no tax money and operates on revenues from wholesale electric and water sales and other services. This map has been produced by the Lower Colorado River Authority for its own use. Accordingly, certain information, features, or details may have been emphasized over others or may have been left out. LCRA does not warrant the accuracy of this map, either as to scale, accuracy or completeness.
